

The Spice Holidays! programme is designed specifically for Grenadian nationals and their families residing abroad, to experience Grenada as a vacation destination. In partnership with local stakeholders, we are offering returning nationals a range of discounts at participating hotels, restaurants, shops, tour companies and other service providers, on presentation of their membership card. The cards are individual and not transferable.

It is that simple – simply fill out this link <http://www.grenadagrenadines.com/plan-your-vacation/spice-holiday-form/> or the attached and fax it back to the number listed below and you are on your way to great discounts.

We look forward to strengthening this partnership as we endeavour to encourage more Grenadians and their families residing abroad, to truly enjoy Grenada during their visit home.

Sincerely

Katusha Collins
